Process for Progress that we follow

It is matter of pride to note that we were able to achieve the ***Tour de force*** and ***Chef-d'oeuvre*** through conceptual enlightenment and erudition process. The students were exposed to entire panorama of meaningful pedagogical practices with motherly affection and pragmatic application of primary concepts and skills. As the corollary they were able to osmose a very good pier in the basics, gain confidence towards facing the demands of higher education, set goals, prepare the roadmap for successful career ingrained with patriotic fervor, exemplary qualities of citizens and a vow to contribute their energy, in the noble task of nation building.

Metastatising of students in the Grade-9, with the aim of achieving centum results in the public examination, is not a robust practice and it is *strictly ostracized* in our Vidyalayas. Even the children, who cannot cope up with the expectations and milestones commensurate with their age, are given a chance to prove themselves, under the nurturing care of the Mentors. The Vidyalaya aura and spirit provides *a level playing field* for learners of various hues.

It is our honour, privilege and pride to note that – **Selvan. S. Kali Raj, student of Smt. Gangadevi Bajranglal Chokhani Vivekananda Vidyalaya, Hr. Sec. School, Surya Nagar, Minjur, Chennai – 601 203**, has achieved **1169** on 1200 in the **Higher Secondary Examination, March 2017** and **Selvi. Divya Shree**, student of **Sri. S.
